To

The Commissioner

Sir,

I have the honor to bring
to your notice that in the Rolls
of Ready Money Inams received
from the Superintendent of
Inam Settlements, the
for the maintenance of religio
institutions such as Masjid
are entered as payable to
manager for the time being, b
these Sums are shared among
the different members of
original Managers family and
disbursed to them. Separate
in the Talook Treasury. In the
statement of the Recipients of
these allowances furnished
this Office, the name of
share holder was entered and

in their names have been accordingly received from your Office, but, I think that instead of the names of these individuals the name of the institution should be inserted in the certificates, and the whole amount should be paid to the Manager for the time being, who should alone be held responsible for the due performance of the Service and the maintainance of the institution. If you approve of my views, I shall return such certificates for correction.

I have the honorable,
Sir,
